

## Maple Wood Lodge -Ecological Survey conducted by BioLogic Environmental Consulting, LLC

### Trees

Box elder	White ash	Apple
Red maple	Butternut	White oak
Silver maple	Black walnut	Bur oak
White or paper birch	Red cedar	Red oak
Musclewood	Ironwood	Willow
Bitternut or yellowbud hickory	Big tooth aspen	Basswood
Shag bark hickory	Quaking aspen	American elm
Hackberry	Black cherry	Red or slippery elm

### Shrubs

New Jersey tea	Choke cherry	Black raspberry
Pagoda dogwood	Common buckthorn	Elder berry
Gray dogwood	Smooth sumac	Prickly ash
Haselnut	Gooseberry	Downy arrowwood
Hawthorn	Multiflora rosa	Nannyberry
Bush honeysuckle	Wild rose	
Prairie ninebark	Blackberry	
Wild plum	Red raspberry	

### Ferns

Maiden Hair Fern  
Lady Fern  
Rattlesnake Fern  
Spinulose Woodfern  
Sensitive Fern  
Interrupted Fern  
Peat Moss

### Vines

Hog Peanut	Hops	Wild grape
Bittersweet	Wild honeysuckle	
Wild clematis	Virginia creeper	
Field bindweed	Carrion flower	
Hedge bindweed	Nightshade	
Wild yam	Spring vetch	
Wild cucumber	Riverbank grape	

**Grasses and Sedges**

Quack grass	Silky wild rye	Reed canary grass
Redtop	Red fescue	Timothy
Smooth brome grass	Nodding fescue	Kentucky blue grass
Hairy wood chess	Muhly grass	Yellow foxtail
Tussock sedge	Nimblewill grass	
Orchard grass	Ricegrass	
Bottlebrush grass	Wide leaved panic grass	

**Forbes**

Three seeded Mercury	Canada thistle	Wood nettle	Figwort
Yarrow	Bull thistle	Motherwort	Ragwort
Red bane berry	Honewort	Pale spiked lobelia	Cup plant
Yellow hyssop	Queen Ann's lace	Fringed loosestrife	False Solomon's seal
Agrimony	Tick-trefoil	Alfalfa	Canada goldenrod
Wild garlic	Nake tick trefoil	White clover	Zig zag goldenrod
Wild leek	Deptford pink	Miterwort	Elm leaved goldenrod
Common ragweed	Dutchman's breeches	Bee balm	Common chickweed
Canadian anemone	Shooting star	Indian pipe	Germander
Thimbleweed	Northern willow herb	Catnip	Early meadow rue
Wood anemone	Daisy fleabane	Showy Orchis	Goat's beard
Spreading dogbane	Robin plantain	Sweet Cicely	Hop clover
Columbine	White trout lily	Long-styled Sweet Cicely	Red clover
Wild sarsaparilla	Sweet Joe-pye weed	Yellow wood sorrel	Larger flowered trillium
Spikenard	White snake root	Wild parsnip	Horse gentian
Burdock	Wild strawberry	Lopseed	Bellwort
Jack-in-the-pulpit	Cleavers	Ground cherry	Common mullein
Wild ginger	Northern bedstraw	Clearweed	Blue vervain
Common milkweed	Fragrant bedstraw	Red stemmed plantain	Hoary vervain
Whorled milkweed	Creamy gentian	May apple	White vervain
Heath aster	Wild geranium	Solomon's seal	Culver's root
Calico aster	Yellow avens	Rough fruited cinquefoil	Marsh's blue violet
Lowrie's aster	White avens	Common cinquefoil	Common blue violet
New England aster	Beggar's lice	White lettuce	Smooth yellow violet
Pilose aster	Daylily	Heal all	Woolly blue biolet
Arrow-leaved aster	Round-lobed hepatica	Small flowered crowfoot	Golden Alexanders
Short's aster	Alum root	Hooked crowfoot	
Yellow rocket	Virginia water leaf	Swamp buttercup	
Tall bellflower	Common St. Johnswort	Black eyed susan	
Mouse-ear chickweed	Spotted St. Johnswort	Bloodroot	
Turtlehead	Great St. Johnswort	Black snakeroot	
Enchanter's nightshade	Pale touch-me-not		
Woodland thistle	Prickly lettuce
